Examiner: Gevell V SELBY

Filed: March 24, 2004

For: IMAGE DISPLAYING METHOD, ORDER RECEIVING DEVICE, AND SYSTEM
HAVING THE ORDER RECEIVING DEVICE

STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please review and enter the following remarks summarizing the interview conducted on
February 6, 2008:

REMARKS

During the interview, the following was discussed:

1. Brief description of exhibits or demonstration: None.
2. Identification of claims discussed: Claims 1, 2, and 30.
3. Identification of art discussed: U.S. Patent 6,538,698 to Anderson
4. Identification of principal proposed amendments: Amending claim 1 to include
“at least two intra-group image frames” in place of “at least one ... frame” as seen in claim 30.

5. Brief Identification of principal arguments: Anderson fails to disclose the second line recited in claim 1 and further defined in claim 2. Alternatively, Anderson fails to disclose two or more image frames disposed in the second line.

6. Indication of other pertinent matters discussed: None.

7. Results of Interview: The Examiner conceded that the proposed amendment would make claim 1 (and analogously claims 20 and 24) allowable over Anderson, as Anderson does not show two or more image frames in a second line, different from a first line, as recited in proposed amended claim 1.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,

/Dion R. Ferguson/
